TOPIC: NET NEUTRALITY

I AM DISMAYED THAT THE FEDERAL COMMUNICATIONS COMMISSION WOULD EVEN CONSIDER DOING AWAY WITH NET NEUTRALITY.

THE INTERNET AND ACCESS ARE THE PROPERTY OF THE TAXPAYERS WHO SPENT THE MONEY TO DEVELOP THIS SYSTEM.

CONTROL OF THE INTERNET AND ITS SPEEDS DOES NOT BELONG IN THE HANDS OF AT&T, VERIZON ETC. IT BELONGS IN THE HANDS OF THE TAXPAYERS.

I AM AWARE THAT THESE COMPANIES MENTIONED ABOVE AND OTHERS MAKE HUGE MONETARY DONATIONS TO POLITICIANS THIS SHOULD NOT ALLOW THEM SPECIAL DISPENSATION TO MAKE EVEN MORE MONEY THAN THEY DO KNOW.

IT IS OUTRAGEOUS THAT FCC, A GROUP THAT IS IN PLACE TO PROTECT CONSUMERS WOULD EVEN CONSIDER THIS CHANGE.
